MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE BOARD PRINCIPALS

SUBJECT: CCPC Study on Intelligence Activities
Against Illicit Narcotics Trafficking

1. The attached Study is provided to NFIB members and observers for review prior to discussion at a forthcoming NFIB meeting.

2. A preliminary review of this Study reveals problems of substantial magnitude, solutions for many of which transcend the authority and capability of the DCI and the Intelligence Community. NFIB may wish to endorse the report and its conclusions and recommendations and forward it to the National Security Council with a request that specific actions pertaining to departments and agencies outside the Intelligence Community be initiated by the NSC.
